To all Filipino nationals in Vietnam:

Subject : Online application for the POEA Travel Exit Clearance

The Philippine Embassy in Hanoi wishes to inform all Filipinos working in Vietnam that they may now apply for their POEA travel exit clearance (also known as the overseas employment certificate or OEC) online.

To apply for an OEC online, log on to www.oecdelivery.com.ph and follow the instructions detailed in the website.

For those who do not wish to avail of the two-way delivery system offered in the website, they have the option to print out the OFW Information Sheet after applying online and filing their application at the POEA.

In the Philippines, you may apply for an OEC at the following offices:

1. Balik-Manggagawa Processing Division, Service Area, POEA Bldg., Ortigas Avenue corner EDSA, Mandaluyong City
2. POEA Regional Centers / Regional Extension Units (REUs) and Satellite Offices
3. POEA-deputized OWWA Regional Offices and Units
4. Exit Clearance Delivery System (Dropbox) at the POEA Service Area

A Multiple Travel Exit Clearance (MTEC) is also available at the POEA Head Office and the REUs in La Union, Cagayan de Oro, Tacloban and Davao. The MTEC is a set of two or more clearances issued to overseas Filipino workers-on-leave for use as an exit document within a period of twelve months from date of issuance. It allows a Filipino overseas worker-on-leave or balik-manggagawa, who exits the Philippines more than once in a period of 12 months, to secure his exit clearance on a one-time basis.

For more information, please visit the POEA website at www.poea.gov.ph.
